

## Short Acres Beagles

"Beagle Purchase Application"

**\*\*\*Current Purchase Price for our Beagle Puppies is \$1500.\*\*\***

### Terms:

- A Beagle is a 12 to 15 year commitment!
- **Please research the Beagle Breed and be prepared for Beagle traits before purchasing a Beagle!** Beagles are typically not an "off-leash" breed unless well trained; so keeping them on a leash, in a fenced-in area, or wearing a tracking collar is recommended.
- Beagle Puppies require patience and training for the first 6 to 12+ months (like a human baby). They may cry, howl, and/or miss their family when you first bring them home; they teethe until 6 to 12 months of age; and they can take around 6 to 12+ months to potty train.
- You must be 18 years or older to purchase a Beagle from us.
- We are hobby Breeders, we cannot ship or transport our Beagles and we cannot participate in third party transfers (a friend, representative, etc cannot pick up the puppy for you). The new owner must pick the Beagle up in person, at our home in Bonneau, South Carolina.
